### Tuesday (9 hole) League

The Tuesday League is scheduled to begin on April 20th, and will have tee times from approximately 4:15pm to 5:30pm. This league will be limited to 46-48 teams, each consisting of a minimum of 3 players.

In the past, some teams were not able to get into the Tuesday league because not all of the team’s members had paid both their membership and league fees in a timely manner. To sign up as a team for a league, ***it is highly recommended that the captain of your team collects all league payments from each team member in advance and submit them along with one team league application in a single envelope on February 1st.*** That way you can be sure that your entire team has paid in a timely manner and you will have the best chance of getting into the league.

### Thursday (18 hole) League

The Thursday League is scheduled to begin on April 15, and will have tee times from approximately 11:30am to 1pm. This league will be limited to 48 teams, each consisting of a minimum of 3 players.

- 3<sup>rd</sup> Individuals to be placed on newly created teams of 3-4 individuals, submitting their league applications and paying league fees will be processed third. These individuals must also have completed their DMC membership applications & paid their dues on or before February 1st.
- 4<sup>th</sup> Teams submitting their league applications and paying league fees for at least 3 players after February 8<sup>th</sup>, or teams being created of 3-4 individual applications after Feb 1st, will be processed as they are received until the league is full, or until March 15, whichever comes first.

## **Hawk- Year Long Match Play Contest**

"The Hawk" is a season-long match play one-on-one competition that is separate from the Tuesday and Thursday leagues. This competition is open to all members of the men's club that have a current USGA handicap index (Now "World Handicap System"). The number of entries is limited. The payouts are determined based on final number of entries, number of brackets and are subsidized by member dues. Once the list of participants and brackets are finalized then the matches are scheduled by competitors according to the published schedule.

Visit [www.dmcgolf.org](http://www.dmcgolf.org) for a list of rules.

## **Spring Meeting - Cancelled Due to Covid Restrictions**

### **Club Championship**

\*\* In order to play in the Club Championship, DMC members must have played and posted the equivalent of at least six 18-hole rounds at Dwan (including league and tournament play) and played in at least two of the above 2021 events. Playing 18 holes in a league either as a team member or substitute counts as one event.
